Trust Aoraki Ltd is a charitable organisation that administers and distributes funds from gaming machines.

For the 2009-2010 financial year, Trust Aoraki distributed \$745,999.00 into the local community. This is in the form of financial grants to local sporting and community organisations.

Our philosophy at Trust Aoraki is simple – “locals supporting locals”.

100% of available funds raised from our sites are reinvested in the local community. The board and staff of Trust Aoraki continue to be proud to support a wide range of activities in the South Canterbury region.

37.12% is the amount that Department of Internal Affairs requires the Trust to payout to the community. The actual percentage Trust Aoraki distributed to the community in the 2009/2010 financial year was 41.91%. Our aim is to ensure that maximum returns are made to the community. A minimum of 70% of the funds distributed goes towards amateur sports and up to 30% of funds distributed goes towards community, health, arts and education.

The Key Business Drivers for Trust Aoraki Ltd are

- To enhance amateur sport in South Canterbury
- To promote sport, activity and wellbeing
- To add value to the local community

by enhancing community and economic development

- To reward excellence and assist where possible

At Trust Aoraki we try and make the process of completing a grant application form easy by either making ourselves available to have a meeting with an applicant or talking through the application process on the phone. We pride ourselves on working closely with community organisations and endeavoring to get the best out of available funds.

Gaming sites can take advantage of being establishments that pride themselves on being 100% local.
