TRUST

AORAKI

Trust Aoraki Ltd is a 'not-for-profit' organisation that administers and distributes funds from gaming machines.

For the 2012-2013 financial year, Trust Aoraki distributed \$1,215,764 into the local communities from where the funds were generated. This is in the form of financial grants to local sporting and community organisations.

Our philosophy at Trust Aoraki is simple – "locals supporting locals".

100% of available funds raised from our sites are reinvested back into the local community. The board and staff of Trust Aoraki continue to be proud to support a wide range of activities in the South Canterbury region and beyond.

A minimum of 37.12% of gaming machine profits is the amount that Department of Internal Affairs requires Trust Aoraki to payout to the community. **TRUST AORAKI HAS ACHIEVED OVER ITS REGULATORY REQUIREMENT OF 37.12% AND ITS' STRATEGIC**

REQUIREMENT OF RETURNING OVER 40% - THE ACTUAL PERCENTAGE TRUST AORAKI DISTRIBUTED TO THE COMMUNITY IN THE 2012/2013 FINANCIAL YEAR WAS 44.18%. Our aim is to ensure that maximum returns are made to the community. A minimum of 70% of the funds distributed goes towards amateur sports and up to 30% of funds distributed goes towards community, health, arts and education.

The Key Business Drivers for Trust Aoraki Ltd are

- To enhance amateur sport in South Canterbury
- To promote sport, activity and wellbeing
- To add value to the local community by enhancing community and economic development
- To reward excellence and assist where possible

At Trust Aoraki we try and make the process of completing a grant application form easy by either making ourselves available to have a meeting with an applicant or talking through the application process on

the phone. We pride ourselves on working closely with community organisations and endeavoring to get the best out of available funds. We would like to take the opportunity to thank our 'local committees' for their valuable input and assistance with the grant distribution process.

Gaming sites can take advantage of being establishments that pride themselves on being 100% local.
